

# The Christian Vitality™ Prayer

Oh God, Creator and Sustainer of the whole universe. You are my loving Father and interested in every detail of my life. You only have good for me and desire to give me healing, wholeness, and forgiveness. Therefore, I place myself at Your feet, under Your authority, and Your control, and protection for Your will to be done in my life.

Everything over which You've given me authority, Lord, I place at Your feet: my family (name them), my loved ones (name them), my blessings (name them), my gifts, my talents, and my life experiences. Everything, Lord, over which You've given me authority Lord I place at your feet right now....

In Christ, I deserve, desire, and willingly receive the abundance and prosperity of the universe. It flows to me, is promised to me, and is mine to keep. In return for my obedience to the Lord by fully utilizing the gifts He has given me, the universe benefits directly and indirectly by the value added by my obedient actions and prosperity.

All my debts have long since been paid for and forgiven by the blood of Jesus Christ, and I honor the Lord by forgetting them and learning from them.

I retain focus and gain strength with help from the Holy Spirit and overcome ALL obstacles.

For Yours is the Kingdom, the Power, and Glory forever and ever. Amen!
